Dear Trinity Christian School parents,

Victory Designs in downtown Opelika would like to remind you that we are now able to offer the convenience of ordering school uniform items through our store. On the **first** and **fifteenth** of each month we will consolidate all orders received and place them for you at **no additional shipping charge**. If you miss these deadlines we will be glad to place your orders with a **\$7.00 shipping charge** added.

Before placing your order, be sure to check our in- stock items available.

Please visit us at Victory Designs at 817 South Railroad Avenue and let us assist you personally with all your Trinity uniform needs—from shorts to skorts to embroidered polos.

We look forward to serving you.
